2010 Golf Season Frequent Player Packages

For the 2010 Golf Season, Innsbrook has a frequent player package for you.

Whether you expect to play 10 rounds, 100 rounds, or aren't sure how much you'll play, Innsbrook has a package for you!

“Season Pass” (Economical up-front fee, golf everyday at no additional cost, minimal cost per round)

Purchase a Green Fee Season Pass (with or without a private cart trail fee) and play as much as you like any weekday, on weekends after 3 p.m., or anytime any day November - March. This pass is for the golf enthusiast! If you expect to play 50 or more rounds this season (weekends after 3 p.m., weekdays, or anytime November - March), check out the Season Pass Application for substantial savings! You'll also save 15% anytime you make a purchase at the Pro Shop.

“Fixed Round” (up-front cost and cost per round varies with number of rounds you purchase)

If you expect to play between 10 and 50 rounds this season, check out our Fixed Rounds Application. It saves you money whenever you play. Purchase 10, 20, 30, 40 or 50 rounds with cart up front and you'll save a bundle!

“Cart Plus” Membership (lower up-front cost, complimentary green fees, & pay for the cart only each time you play)

Make Innsbrook your “home course” in 2010. Play 30 rounds or more at Innsbrook and enjoy huge savings on your per round cost. We have two options available: 1) weekday only for \$299, and 2) 7 days a week for \$399

“Players’ Club 22” (minimal up-front cost/save 22% every round you play)

Players’ Club 22 is great way to know that you'll save money with a nominal up-front cost. Just pay the \$99 fee and immediately start saving 22% off the prevailing daily green and cart fees whenever you play. You'll also receive a 22% discount when you play November - March. The savings from 15 weekday rounds or 9 weekend rounds will pay off the initial \$99 fee; every round after that you'll save more!
