INNSBROOK

RECONNECT AND **SPARK** *new ideas.*
BUILD YOUR *team's camaraderie.*
START THINKING *outside* THE *cubicle.*

When it comes to hosting the perfect meeting or event, the right setting makes all of the difference. Whether you're looking for a high-intensity strategy meeting or brainstorming about how to infuse energy into your employees, Innsbrook offers a focused, peaceful, inspirational atmosphere for your meetings.

From pre-planning to final send off, we'll take care of every detail, customizing your own unique experience at Innsbrook.

INSPIRE *in the heart of nature*

There's nothing quite like the feeling of being away from the office at Innsbrook's natural playground. More than 7,500 acres of rolling hills and over 100 lakes combine to create a unique atmosphere that promotes strategic thinking like no downtown venue could offer. Take advantage of our charming natural setting by coordinating all or part of your meeting outdoors, whether it's on the patio or the grassy hill overlooking the lake, your team will collaborate like they couldn't do at a conference table... *and that's just the beginning.*

Inspire ideas with a fall hayride through nature's wonders or a reception in a field of towering oaks. End the day with a wine tasting around the bonfire, where you can nurture relationships between teammates in a place like no other.

At Innsbrook, we're committed to helping your company break out of the routine by providing a scenic, relaxing setting, where the everyday stresses and worries of the office can be put on the back burner and ideas can come to life.

BEYOND *the typical boardroom*

Our lakeside lodge, The Aspen Center, is one of the area's top venues for corporate meetings, executive retreats, banquets, receptions, and parties. The Aspen Center offers a variety of conference rooms designed to provide quiet, comfortable, productive settings to help you complete your objectives. Plus, break-out rooms and decks give groups the opportunity to divide into smaller groups for brainstorming.

The largest event space in the building—and our main dining room—the Aspen Room features a rustic lodge-like atmosphere with a cozy floor-to-ceiling stone fireplace, plenty of natural light, eye-catching exposed beams, and panoramic views of Lake Aspen.

A perfect combination of rustic and modern, the Executive Boardroom features a wall of century-old reclaimed barn wood, large flat screen monitor, a half-bath and a wet bar with granite countertops.

Our Foxfire Lounge features a bar, dining area and large windows looking out over Lake Aspen. This space is upscale, yet casual—great for breaks or post-meeting social gatherings.

A variety of other meeting rooms are also available and feature views of Lake Aspen and access to outdoor deck areas.

THE RIGHT BALANCE OF *work and play*

Located at the golf complex, the Clubhouse Bar & Grille is a full-service restaurant open to the public. It offers spectacular views of the scenic championship golf course, especially when dining alfresco on the deck! Our fresh menu offers additional dining options for your group and our beautiful bar area is great for post-meeting socializing. In addition to the Aspen Center, meeting and group event space is also available at the Clubhouse.

The Barnyard Patio overlooks the 18th hole on Innsbrook's golf course and is a great outdoor venue for a summer company picnic, a gathering after a round of golf, or a teambuilding social hour after a day of meetings.

The Wobbe Room, located on the upper level of the Clubhouse, is a private meeting room that can accommodate several setup options.

ADVENTURES *in teamwork*

Innsbrook isn't all business ... there are plenty of fun things to do, too. We are focused on reaching your conference goals, but we know that recreation time is essential. Building camaraderie improves communication, boosts morale and motivation, and improves productivity by helping employees learn about each other's strengths and goals.

Innsbrook provides productive and stimulating team building opportunities the office environment can't offer, including:

- 18-hole championship golf course
- Sand volleyball courts
- Tennis and pickleball courts
- 150-acre Lake Aspen
- Sandy beaches
- Outdoor swimming facility with lazy river
- Boat rental
- Fishing
- Hiking/nature trails

OVERNIGHT ACCOMMODATIONS

Our resort accommodations make overnight and multi-day conferences a retreat from the hectic business world.

Our condominiums are located on the shores of 150-acre Lake Aspen. Each is uniquely decorated and equipped with a living and dining area, full kitchen with microwave, coffee maker and supplies, fireplace, outdoor deck, cable television, WIFI and complimentary parking.

DINING AT INNSBROOK

Innsbrook offers first-class catering. Whether you want a five-course gourmet meal or a theme dinner, our staff is ready to serve. No matter the location—lakeside, on the patio, in our Foxfire Lounge, or at the Clubhouse Bar & Grille—our experienced kitchen and wait staff are well-versed in serving parties in unique venues.

Theme dinners are one of our specialties. Our barbecue buffet with a bonfire is one of our most popular theme dinner options. Your group can gather for a traditional all-American barbecue, then as evening approaches, a bonfire is the perfect place to converge for camaraderie and toasted marshmallows!
