

THE KONSTANZ HIKING TRAIL

Lake Konstanz Hiking Trail, located northwest of Alpine Lake and west of Stracks Church Road, circles around beautiful Lake Konstanz. It is an enjoyable trail with expansive views of both lakes, Alpine and Konstanz.

For portions of the Lake Konstanz Trail, you will have to travel off the dirt path and follow the road.

HOW TO GET THERE

The Lake Konstanz Hiking Trail is located in the western part of the development, just east of Alpine Lake. From the Real Estate Office, travel south on Aspen Way Drive, then west on Meadow Valley Drive. When you approach the Konstanz three-way intersection, go right on North Konstanz Drive. Parking for the nature trail will be on the east side of the road, across from Lot 2223. This is also the trail head. In addition to this trail map, *we suggest you bring along a color Innsbrook development map (available at the Front Gate, Real Estate or Aspen Center Front Desk).*

WHILE YOU'RE HIKING

For your safety, please watch for loose rocks and tree roots other obstacles along the trails. Please park in designated parking areas only. Stay on the marked trail; do not take shortcuts. The trail has been laid out to minimize destruction of surrounding vegetation and to prevent erosion. Carry out what you carry in. If the trail users before you have not done this, you can help by removing their trash, too. We ask you to leave only footprints and take only pictures. *Nature is for everyone to enjoy, so let your followers experience the beauty.*
