## UPCOMING EVENTS

### Historical Society Porch Music Series:

#### Sperreng Fiddlers

Saturday, April 18, 2 p.m., LC

Take in the colonial sounds of the Sperreng Fiddlers from the Lindbergh School District on a beautiful spring afternoon at the historic log cabin. FREE. Call Dan West at 314-740-5521 with questions.

### Adopt-a-Highway

Saturday, April 25, 9:30 a.m., PMB

Join this volunteer clean-up of Highway F. Meet at the PMB at 9:30 a.m. for donuts and coffee! Don't forget to bring your gloves. Ext. 180.

### Earth Day Celebration Hike

Sunday, April 26, 10 a.m., Tyrolean Trail - Alpine Valley

Celebrate Earth Day with a guided nature hike on the Alpine Valley section of the Tyrolean Trail. The hike will be led by Missouri Master Naturalist Leslie Limberg. Meet at the trailhead (turn south on Alpine Valley Drive, then take your first right). The hike will last about two hours and there will be a break and option to stop after about an hour. Bring water, trail snacks, bug spray, etc. Don't forget your camera! Ext. 180.

### Annual Plant Sale - Save the Date!

Saturday, May 9, 9 a.m. to noon, PMB

This popular event will return with spring! Be sure to mark on your calendars the Innsbrook Garden Club-sponsored Plant Sale. The plant donation date is Friday, May 8, from noon to 3 p.m. at the PMB. Held annually on Mother's Day weekend, the Plant Sale is not only your answer for great spring gifts, but it is also a wonderful time to divide and donate your plants for the sale and recycle your gently used garden accessories. Questions? Call Ann Babington, 314-580-7775 or Cece Luecking, 314-623-5344.

### Mother's Day Buffet

Sunday, May 10, 10 a.m. to 2 p.m.

Treat mom to our annual brunch! Reservations required. \$26 per adult; \$10 for kids ages 4 to 12; kids 3 & under eat free. See menu at [www.innsbrook-resort.com/dining/events](http://www.innsbrook-resort.com/dining/events). Ext. 0.

## NATURE NOTE

### In the (Mushroom) Hunt

April showers bring... mushrooms? April showers and warm nights make morels (muh-rells) grow and send folks to their favorite mushroom-hunting spots. In late spring, watch for morels growing on the ground. The top or cap looks something like a sponge, with a shape similar to a tiny Christmas tree. The stem is thick, and when sliced, the whole mushroom is hollow. Three species are commonly found in our area, so

morels will vary in color from gray to tan or yellow. They come in a variety of sizes, but most average three to four inches tall. Like all mushrooms, morels are a fungus; and the part we pick is just the fruit, so to speak. Morels seem to pop up overnight! They usually grow in 24 to 48 hours. Look for morels in moist woods and on south-facing slopes. As with any wild edible, be sure you can identify morels before eating them! Either tag along behind an experienced morel hunter or take a good reference book along on your hunt.

## Construction Updates

### Amenity Complex

We got another good day of work in at the site of the new amenity complex on Wednesday, April 1 before the rains came. We will continue to plug away and work around the weather! Updates on the progress of the new amenity complex will be posted on our website at [www.innsbrook-resort.com/property-owners/amenity-complex](http://www.innsbrook-resort.com/property-owners/amenity-complex). Contact [information@innsbrook-resort.com](mailto:information@innsbrook-resort.com) with questions or comments.

### Aspen Center

Swing by the Aspen Center to check out the new seating areas and fire pits on the patio overlooking Lake Aspen. Also, construction will soon begin on a wheelchair ramp to the patio. Other new additions include life-size Jenga and cornhole, which will be available weather permitting. Ext. 0.

### Fitness Center

We ordered brand new, state-of-the-art fitness equipment for our Fitness Center! We're also giving it a fresh coat of paint, and new carpet and lighting. The Fitness Center will be closed April 18-30 for renovations. Ext. 0.

## Innsbrook Hail Storm Damage?

A severe thunderstorm brought damaging winds, hail and torrential rainfall to Innsbrook on April 7. We encourage you to inspect your Innsbrook property for damage as soon as you are able. If you can't make it out to check your property and have damage concerns, call Innsbrook Services at ext. 191 or email [information@innsbrook-resort.com](mailto:information@innsbrook-resort.com) for assistance.

## Road Work in Warren County

Resurfacing on about five miles of the outer road of Interstate 70 west of Warrenton begins this week and continues until the end of April. Route H at Wright City between the outer road and Route M will be resurfaced during this time, as well. The road will be one lane while under construction, and motorists will be taken through the work zone by following a pilot car. Work will be done between 7 a.m. and 5 p.m. during the week, unless a weekend is needed due to weather. Daily and weekly road work by county is available at [www.modot.org/northeast](http://www.modot.org/northeast).

## Welcome New Executive Chef Jimmy O'Brien

Innsbrook would like to extend a warm welcome to our new Executive Chef, Jimmy O'Brien! Jimmy was born in St. Louis and has been working in kitchens since he was 15 years old. He has worked at Pietro's on Watson Road and Charlie Gitto's on the Hill, where he was trained by Charlie himself. He has also worked at various restaurants in Clayton, downtown St. Louis and at country clubs. Ext. 801.

## Flex Your Green Thumb with a Garden Plot!

A limited number of plots are available in the Innsbrook Community Garden. Plots are 10' x 15' and are \$60 per plot. A one-time fee of \$60 is also assessed to new gardeners. Ext. 180.

## A Few Words on an Indelicate Subject

What goes in your toilet? The short answer: Water, human waste and toilet paper. Anything else (including wet wipes, etc. that are advertised as "flushable") can cause problems with grinder

pumps, sewer lines, septic tanks and treatment plants. This causes Innsbrook problems, and, by extension, costs you money. It can also cause sewer backup problems that will certainly detract from your Innsbrook experience.

## Kids' Horseback Riding Camps Available

Camp dates are: June 1-4; June 8-11; June 15-18; June 22-25 and June 29-July 2. Camps run from 9 a.m. to 1 p.m. daily. The cost is \$250 per child. \$100 nonrefundable deposit per child required. Ages 6 and up (no adults, please). Ext. 300.

# INNSBROOK CLUBS

## Ladies Tennis

Ladies tennis on Fridays at 9 a.m. at the stables courts. If you would like to play, we would love to have you! Not serious, just fun. Call Mary Jo Zara at 314-570-1072.

## Monday Night Bible Discussion Group

Join us at the home of Larry and Linda Buschman at 500 Woodlake Dr., on April 13 for a discussion of the book of Luke. Everyone is welcome! 636-745-3141.

## Patriot Packages

Packing for the soldiers will be Friday, April 10, from 9 a.m. - noon at the Warrenton Armory. It doesn't take long and the fellowship and sense of doing a worthwhile task is very pleasant. All are invited to come and participate in sending a little bit of home to those young men and women deployed so far from their loved ones. We are in desperate need of travel-size toothpaste and travel-size Kleenex. Any and all donations are greatly appreciated, and may be left in the barrel inside the Property Management Building, or call Bob Braendle 636-745-9492 for pick-up.

## Garden Club Spring Membership Meeting

The Innsbrook Garden Club invites all members and prospective members to their Spring Membership Meeting on Friday, April 17 at 10 a.m. at the Aspen Center. Our guest speaker will be Leslie Limberg speaking on "Low Maintenance Shade Gardening". Membership dues of \$20/family may be paid at that time. Please RSVP to Shirley at 636-745-0088 or [saritsema@gmail.com](mailto:saritsema@gmail.com).

## Green Hats Luncheon

Ladies, in the mood for Italian? Then join us for lunch at Rizzo's in Wentzville on Tuesday, April 21 at 11:30 a.m.. We will have a private dining room and be able to order separately from the menu. Make reservations to Barb Powell at 636-745-8746 by Friday, April 17.

## Weekly Bluebird Report

Our Innsbrook bluebirds have spent a busy week house building. We now have 41 completed nests. Fourteen of our nests contain eggs, with 41 eggs laid in all. More eggs should be laid this week. If you would like your nest box included in our weekly report please contact Shirley at 636-745-0088 or [saritsema@gmail.com](mailto:saritsema@gmail.com).

*These are property owner-run and organized clubs. If you have club news you'd like to share, call ext. 180 or email [information@innsbrook-resort.com](mailto:information@innsbrook-resort.com).*

# PLANT PROFILE

## Siberian Bugloss "*Brunnera macrophylla*"

In April or May you may think you are seeing forget-me-nots in your garden, but if you plant "*Brunnera macrophylla*" you may actually be looking at the wonderful ground-cover for shade: Siberian Bugloss. We will be offering this plant at the VIGC Spring Plant Sale on Saturday, May 9, this year. Deer and rabbit resistant, these plants have already been tested at Innsbrook. Shade loving, they do well in woodland gardens or naturalized along streams or ponds. To learn more about these plants, go to "Dave's Garden": <http://davesgarden.com/guides/pf/go/177/>. -Lynn Laws, Innsbrook Garden Club President

### "Bugloss" from the Greek meaning "Ox tongue"!

Siberian Bugloss is a rhizomatous, clump-forming perennial that is primarily grown in shady areas for its attractive heart-shaped, dark green, basal foliage. Small, forget-me-not-like flowers (light blue with yellow centers) bloom in airy, branched racemes rising well above the foliage on slender stems to 18" tall in spring. Basal, heart-shaped, blackish-green leaves (3-5" wide) form a foliage mound, which remains attractive throughout the growing season. Smaller stem leaves are elliptic. USDA Plant Hardiness Zones 3-8. No serious disease problems but slugs and snails are occasional visitors.

"In my garden deer have eaten the blossoms, but never the leaves! Good news, because this woodland plant is valued for both its flowers and ground-covering leaves. Terminal clusters of delicate blue flowers appear in spring. Loves shade and a moist, well-drained soil." -Lynn Laws
