### TAKE A TOUR OF THE INNSBROOK TRAILS! – TYROLEAN TRAIL

The Tyrolean Trail is a true Innsbrook gem – take this path and you may just discover your new favorite destination. At just under two miles long, the Tyrolean Trail is a great combination of Innsbrook's various terrains. You'll experience shady forest canopy

with wet, green undergrowth and the rustle of frogs hopping through the flora. Further along the way, you'll walk through open prairie land speckled with purple, white and yellow wildflowers as butterflies dance through the air around you. Hikers will traverse up and down the Alpine Valley near our contemporary cottages, as well as pass by the more than century-old historic log cabin and scenic, wet-weather waterfalls.
