Innsbrook news

GOLF COURSE IMPROVEMENTS TO BEGIN

Innsbrook has invested significantly in recent years to improve the golf course, Clubhouse and the overall golf experience. We'll take another huge step forward starting in November and continuing into 2019 with the final phase of a five-year, more than \$3 million investment in tees, greens, fairways, equipment and management.

Improvements include:

- **New state-of-the-art Toro irrigation system** installation beginning in November. This double-row system replaces the existing single-row system and will allow for irrigation in the rough and customized water management around green complexes. The high-density polyethylene pipe that will be used has a 50-year life span and fewer joints to lessen the possibility of leaks.
- **New Club Car Tempo golf carts** arriving in early 2019. The new platinum-colored carts with black roofs will feature USB ports and cart-mounted sand bottles to fill divots.
- **Ten remaining cart paths will be overlaid** beginning in late spring 2019, weather permitting.
- **Expanded and laser-leveled driving range tee box** will allow for additional hitting space for better turf conditions throughout the season and the improved tee box will no longer point players towards the woods. Work is scheduled to begin in spring 2019. For more information, stop by the Pro Shop. Ext. 9203.

MOTOR CLUB RAISES FUNDS FOR GOD CARES & THE CHILD CENTER

On September 29 at the Innsbrook Car & Truck Show, Innsbrook and Innsbrook Motor Club raised \$700 for God Cares, an organization that helps local veterans find employment. An additional \$300 was raised for The Child Center, Inc. in Wentzville, which advocates for the victims of child abuse. We appreciate your support for our local endeavors! Ext. 9180.

CLUBHOUSE HOURS CHANGING ON NOVEMBER 1

Starting Thursday, November 1, the Clubhouse will be closed Monday through Thursday. It will be open 11 a.m.-9 p.m., on Friday and Saturday (bar until 10 p.m.) and Sunday from 9 a.m.-3 p.m. Ext. 9207.

NEW AUTHORS: WE WANT TO HEAR FROM YOU!

We are looking for property owners who have published a book to be our guest speaker at the 2019 Speaker Series. Please call MacKenzie to discuss a possible topic and date in the series for next year. Ext. 9180.

DAYLIGHT SAVINGS - CHANGE YOUR CLOCKS AND BATTERIES
