IBK Explorer Moving to a Bi-Weekly Schedule

The IBK Explorer will now be published on a bi-weekly publishing schedule through March 7, 2024.

Utilities Alert!

If you are on IBK Sewer and you have a grinder-pump, be sure to flush your system out with fresh water before leaving. This can be achieved by running a faucet for 20 minutes or flushing a toilet five or six times. If you are winterizing, let the faucet run for at least 30 minutes to flush out the system as good as possible (faucets should be ran for up to an hour). This will help prevent back ups into the house, overflows, and foul odors.

Add grinder-pump flushing to your winterization service with Innsbrook Services! For more information about winterization, contact Innsbrook Services at ext.9150, or email services@innsbrook-resort.com. For general questions about your water or sewage system at Innsbrook, contact Innsbrook Utilities at ext.9231.

Winterization Services

As the temperatures drop, it's time to think about winterizing your chalet for the season. Innsbrook Services can help! Our helpful and skilled maintenance team can prepare your property for the cold season ahead. Scheduling is quick and easy, fill out the online form and select a date after your last planned visit to Innsbrook. Sign up online using the link below for regular winterization services: <https://bit.ly/45ANWtG>.

IBK Snow Removal

Having your driveway plowed is now easier than ever! Property Owners will have full control of when they want their driveways plowed and/or when they don't by using a **tool in the Property Owner Portal that can be found at the following link:** <https://bit.ly/3M4vfli>.

Once you have elected to receive snow removal service, you may turn it off and on as you see fit. *Service must be turned on/off 24-hours in advance of an anticipated snow storm.*

Plow service will only be provided for snow accumulations of three inches or more! A one-time electronic waiver is prompted when opting-in and must be accepted before your service. Each plow is \$50 and billed after the service. Questions? Please call Ext.9180, or email IOASnowRemoval@innsbrook-resort.com.

Leaf Removal Services Available!

Have a leaf problem? Skip the hassle of removing leaves from your roof, gutter, or yard and give Innsbrook Services a call. For yard and gutter removal, please call Services at ext. 9150 to receive a quote.

Has Your Contact Information Changed?

It's almost annual assessment and survey time! If you have moved or changed your contact information in the last year, please let the Innsbrook Owners Association staff know. Your annual assessments and property owner survey will be issued in late November, and are due on or before December 31, 2023. Email information@innsbrook-resort.com or call 636-928-3366 ext. 9180 to update your contact information.

Order Your Firewood From Innsbrook Services!

Cold weather is right around the corner which means it's time to start thinking about stocking up on firewood for the cold season ahead. Innsbrook Services department can deliver firewood right to your lot! Delivery includes a face cord of firewood and can be dropped off in the location of your choosing. Visit <https://www.innsbrook-resort.com/property-owners/services/> for pricing information and to schedule your delivery today! Ext. 9150. Prices vary according to drop-off location.

Boat Removal Time is Here!

All boats are to be off common grounds and out of the marinas by November 30th. If you need assistance with moving a boat, the Innsbrook Owners Association can provide services. The fees for boat moving services are \$50 for a small boat and \$150 for pontoon boats. There is a \$75 and \$150 charge for boats put in storage. At your preference, all boats can be put in our open storage facility or taken to your lot. Once they are on our lot, you only have access to it by foot and the boat cannot be moved anymore. Your boat can also be delivered to our facility and we will store it on the open lot. November 30th is the Deadline to have your boat removal scheduled for the marinas and beaches. Contact Harry Harisberger at ext.9193 for assistance.

Fall Fish Facts

Our IBK employees are busy in the fall season to stock our lakes not only with fish for anglers, but also Grass Carps, the best natural aquatic weed control we can do for our lakes.

*Fun Fact: Adult Grass Carp feed primarily on aquatic plants, both higher aquatic plants and submerged terrestrial vegetation, but may also eat detritus, insects and other invertebrates. They eat up to three times their own body weight daily, and thrive in small lakes and backwaters that provide an abundant supply of vegetation. Grass carp live five to nine years, with the oldest surviving 11 years.

This year, we will be raising money for a local charity. Stay tuned for more details!

FIRST IHS SCHOOL FIELD TRIP

On Friday, October 27, approximately 125 seventh graders from the Wright City Middle School became the first ever students to visit the IHS Village for a field trip. A busload arrived every hour for five hours, and, when one group was finished with their hour long "class," another busload arrived. The students were taught by eight Innsbrook residents who served as teachers for a day.

A special thank you to these Innsbrook residents who volunteered to be instructors for this event: Alice Jensen, Madonna Laws, Linde Flanders, Cece Luecking, Wayne Edwards, Mike Schulze, Gary Barton, and Tom DeBenedetti. Their hard work in preparing for the field trip really showed in the enthusiastic participation by the students. Additional volunteers served as guides, greeters, and time keepers. We hope to host more field trips in the future.

If anyone is interested in helping out at future IHS sponsored student field trips, please contact Dave at 314.704.7001.

Becoming a member of the IHS is easy. Go to: innsbrookhistoricalsociety.org and download the membership form. If you have questions about membership in the IHS, don't hesitate to call Dave at 314.704.7001.

Property Owner Art Show

Come view the creative and unique submissions to this year's Property Owner Art show at Charrette Creek Commons. Open during regular building hours through November 30.

Stay tuned for more artist bios in the next issue of the IBK Explorer!

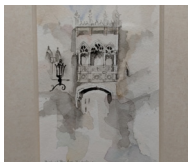

Carol Kappel

Carol has always loved all things artistic. She has taken many classes and workshops over the years but is essentially self-taught and works in oil, acrylic, and watercolor paints. She loves Innsbrook and enjoys spending time with other artists at the Innsbrook Art Guild.

Deborah Baldini

Deborah is a professor of Spanish Language, Literature, and Culture. She has studied, lived, and traveled extensively throughout Spain. She is an amateur watercolorist. These three watercolor paintings are part of a larger series intended as an homage to Barcelona, a city she loves.

Ric Baldini

The grandfather's of both Ric and his wife, Debby, were woodworkers. It was the regular weekend trips to Debby's grandparent's house that really got Ric started. As soon as they arrived, after kisses and hugs, Grandpa and Ric would sneak away to the wood shop and work on projects together. Ric started to accumulate his own tools and work on projects in his own home after that. The cherry fern stand is one of several pieces that he has made. His focus is on smaller items such as tea boxes, children's toys and the ukulele he made for his son. Recently, Ric finished a watercolor desk for Debby. But, he is most proud of the all wooden clock he made. It stands over six feet tall with all gears made of various woods that mean so much to him. Ric is interested in starting a Woodworker's Guild here at IBK. Perhaps there would be interested souls who would like to share their experience, techniques, and accomplishments.

Glenn Kopp

Glenn's father was a cabinetmaker and at a very young age, he too gained a love for wood. In his retirement, he is making small, intricate objects of wood. Glenn has also taken up woodturning. His other passion is photography. He seeks to reproduce his initial emotional reaction to a scene or subject in his photographs.

Kasi Orcutt

While visiting last December, Kasi's mom had the yard decorated for Christmas. Standing in the driveway, getting ready to get in to the car, she looked up and the sky caught her attention. When Kasi was younger, she had a 35mm camera and aspired to get serious about photography, but four years of college, marriage and two kids took up all her time. Photography became a hobby, all but forgotten. With the invention of cell phones/cameras at the ready, that was the extend of her dream. Kasi took the picture of the sky with her phone. Little did she know the Christmas lights in and around the driveway were casting red up into the trees. Everyone who was around were wowed with the turnout of the photo. Kasi's mom expressed that next year, 2023, she was going to submit it in the art show – and here we are! Kasi lives with her husband in Estero, Florida, but enjoys coming to Innsbrook!

John Hatchel

John started painting with oils back in 1963 with no formal training. He was inspired by Bob Ross and Robert Wood in his early days of painting, but has learned that to create his own pieces is best and more rewarding.

Mark Pohlman

Mark fell in love with Innsbrook 20 years ago. He has owned both a home and now a chalet and enjoy the nature, and, the lifestyle of living with nature. Upon retiring and trying to stay busy during the pandemic, Mark discovered wood carving. The ready supply of wood and training on YouTube gave him a form of expression away from the work place. Mark hopes everyone will enjoy his carvings.

Mary Redders

Mary has been painting in watercolors for around nine years with a talented group of ladies every Tuesday in Columbia, MO. These gifted friends have encouraged her growth as a painter with their support, suggestions and laughter! "The ladies who love to paint" are more fun than anyone or anything she knows, including bubble wrap!

Madonna Laws

Madonna J. Laws, a retired paralegal, has been involved in the fiber arts for most of her life starting with a sewing class when she was 13 years old, moving into tailoring, then embroidery and morphing into basket weaving.

Carol Valenta

Carol is a member of the Saint Louis Watercolor Society and the Innsbrook Art Guild. Painting for more than 20 years, paintings explore the potential of watercolor to interpret landscapes, architecture, natural subjects and portraits. Fortunate to have traveled extensively in the US, Europe, and Asia, she particularly enjoys capturing the images of people going about their everyday lives and work. Her works have been exhibited at Watercolor Society shows in St. Louis and are also featured as annual set of themed printed note cards.

Charles Allman

Charles is eight years old, here with his first self-portrait. He enjoyed creating art before he could hold a crayon. At home, we practice drawing things that he has read, seen, and experienced. Most recently, he's been drawing airplanes and ships of all sorts, composing pieces that include other elements like weather conditions that tell a story.

EMPLOYEE SPOTLIGHT

CAFÉ MANAGER, BRIANNA "BRI" PATE

With a love for coffee and crafting, Innsbrook's Café Manager at The Market Café and Creamery is bringing new and innovative ideas and items to the popular Innsbrook hot spot.

Bri has been an Innsbrook employee since August 2019. "The opportunity to work at Innsbrook came out of the blue, and it was an opportunity I felt I couldn't pass up. After my first day, I knew I would continue to be here for the foreseeable future."

Currently, Bri is the Café Manager at The Market Café and Creamery, serving Innsbrook owners and guests their favorite caffeine flavors, while also creating her own. "I thoroughly enjoy making people smile when they receive their first dose of caffeine in the morning! Along with my co-manager, Kaci Hampton, we strive to give the customers the best possible experience at The Market Café by bringing in new things and menu items. Our goal is to make The Market better every day!"

Using her creative talents and passion for crafting, Bri not only brings new and fresh ideas to The Market, but also creates hand-crafted Innsbrook branded merchandise, *Pretty Little Things*, that can be seen throughout the store and is available for purchase. By mixing and matching her favorite coffee flavors, she has created her own specialty cold brew that features a splash of vanilla and mocha paired with vanilla cold foam and oat milk. "It doesn't matter what season it is, iced coffee will always be my number one choice."

Outside of Innsbrook, Bri spends time with her two cats, Maverick and Yuji, and enjoys crocheting at home while watching movies.

So the next time you're looking for a tasty caffeine pick-me-up, stop by The Market Café and Creamery to see a friendly face, and maybe even try out her very own creation, "Bri's Speciality Cold Brew."
