Innsbrook Spring Fishing Tournament

Sat., Apr. 6 | 6:30 a.m.-12 p.m. | FH

Tournament is open to any property owners and their families, guests, and vacationers staying at IBK. There are two divisions to compete in:

- Kids division can be a single or two-person team with participants being 15 years of age or younger. These teams can catch any species of fish. Anglers can use natural or artificial lures and baits. Each team's total weight of fish will be used to determine the heaviest stringer winner.
- Adult division (16+ years of age) is a single or two-person format. A team can only check in largemouth bass over 12 inches in length. Anglers may only use artificial lures and baits. Each team can weigh-in up to 10 bass.

It is suggested that largemouth bass smaller than 12 inches be kept during the tournament to help improve our lakes. The Fishing Club will collect these small bass to be recycled as a food source for the Wildbird Sanctuary Rehabilitation Center. Please collect as many small bass as possible while fishing the tournament.

Weigh-in will occur at the Oh'Fisnal Scale, located at the Farmhouse at Noon. All teams must arrive before Noon to be checked in. The Fishing Club will have an attendance prize drawing for all children.

Reach out to your local gun ranges to inquire about accepting your ammo.

Ammo is considered hazardous waste and must be disposed properly. For hazardous waste disposal, check city and county websites for collection facilities or upcoming hazardous waste events.

The Historical Society is pleased to announce several exciting and interesting additions to this year's Discovery Day celebration. In addition to Porch Music provided by the Dave and Bryan Duo, we will have three new features to grab your attention this year. There will be a "live" blacksmith demonstration as well as a lady "spinning" yarn on an authentic spinning wheel. Finally, we will also have someone who will demonstrate the process of the construction of a log cabin. They will be using landscape timbers for the demo.

Discovery Day will be held on Saturday, May 11th from 1:30- 4:30 at the IHS Village. In addition to the demonstrations and music, there will be complimentary hot dogs, beverages, and ice cream - fun for the whole family!

Just one year ago today (March 28, 2023), the barn crew began disassembling the barn donated to the Historical Society. Wonderful progress has already been made in the rebuilding project. If you haven't been at the barn site lately, stop by for a look. You will be impressed by the work of our all-volunteer crew. But, how can you help? Membership in the IHS is the most practical way to be a part of the project. A membership application form can be found at www.innsbrookhistoricalsociety.org.
