Innsbrook's Golden Rules

*The primary rule at Innsbrook is the Golden Rule.
"Treat others how you would want to be treated."
But sometimes it helps to explain in a little more detail.*

Peace and Quiet

- No loud noises such as power tools, chain saws, weed eaters, power mowers, leaf blowers, etc. on Sundays. Quiet hours are in effect every weekday before 7 a.m. or after 5:30 p.m.
- Personal fireworks and firearms are prohibited.
- All parties are restricted to the host's property (not on common areas, such as beaches).
- Please do not host company picnics or other large gatherings on private property that would disturb the peace and quiet of your neighbors.

Natural Beauty

- "For Sale" signs and/or handmade signs made for directing traffic are prohibited.
- Trash should be kept IN dumpsters and compactors, not ON dumpster lids or beside the bins (because animals will get into it and make a mess).
- Large trash should not be placed in dumpsters. Large items include things such as construction debris, lumber, appliances, furniture, etc. Innsbrook provides "Big Trash Weekends" in the spring and fall when we accept your bulky trash items. Call 636.928.3366 x9193. If you see anyone disposing of large items or construction debris in our trash containers, please call Security at 636.928.3366 x9400.
- For large items needing to be removed, contact Christian Disposal at 866.522.3781.
- Lawn ornaments should be used sparingly.

Lakes and Boats

- Only boats propelled by sail, oar, paddle or electric trolling motor are permitted.
- Maximum capacity shall not exceed 220 lbs. thrust or 10 horsepower.
- Electric boats shall produce no wake.
- Pontoon boats can be no larger than 16' length and 8' width.
- Mono-hulled watercraft are limited to 20' length and 8' width.
- All boats must be registered with Innsbrook and must have an Innsbrook boat sticker. Call 636.928.3366 x9180 or download a boat sticker form at www.innsbrook-resort.com/property-owners/forms.
- Guest boats are not allowed.
- Boats must be removed from all common areas during winter months (November 30 to April 1).

- The lakes, beaches, and parking areas are common ground and rafts/floats should not be left out. Overnight parking is not allowed for boats, trailers or rafts.
- Construction of docks/slips must be approved/permitted by the Architectural Review Board. Call Sam Starostki at 636.928.3366 x9151 for permit application.

Beach Rules

- Pop-up tents should be 20' from the water to leave space for sunbathers. Please do not use a tent to reserve a beach spot, and take tents down at the end of the day.
- No boats or fishing allowed in the swimming area, including the beach and floating dock and not tied to the dock. All of these are dangerous to swimmers.
- Those who are not toilet-trained must wear swim diapers.
- Children in floatation devices should be supervised by an adult.
- Beach-goers ages 15-and-under should be accompanied by an adult.
- No littering. As to cigarette butts, no one wants to sunbathe in an ashtray.
- Pets are not permitted in the beach area.
- Music should be for your listening pleasure only.
- No large groups - no one wants to sit next to an office party on the beach.
- No campfires.
- Boats in the common areas are not common property. Respect the boats' owners and do not use private boats.

Guests

- All guests must be registered with our Security Department via the Property Owner Portal prior to their arrival. All guests must enter Innsbrook through the Main Gate or the West Gate during staffed hours. Find a link to the portal at www.innsbrook-resort.com/property-owners/guest-registration. If it is your first visit, you will need to complete a one-time registration to gain access. You can also register guests through the Innsbrook mobile app.
- Only invite guests to your Innsbrook property that you would invite to your home in town.
- Inviting friends to come out and fish when you are not at the development is prohibited.
- Property owners are responsible for their guests (mis)behavior.
- Property owners who use their homes as rental properties must register for a permit through Innsbrook. The cost is \$275 per year. Call ext. 9199 for info.
- Guests cannot register for pool reservations, only owners may do that, so if a renter wants to use the pool, the property owner will need to make reservations for their party.

Construction and Remodeling

- Chalet construction/remodeling: Written approval is needed before any alterations, modifications, replications or changes to the exterior of an existing chalet, or chalet lot, are commenced, including but not limited to: painting, staining, roofing, exterior remodeling or additions. The property owner is responsible for getting and turning in the required building permit, which can

be downloaded at www.innsbrook-resort.com/property-owners/forms. Call 636.928.3366 x9151 to have a copy mailed to you.

- New home construction: All new homes to be constructed at Innsbrook must have plans and specifications reviewed and approved by the Architectural Review Board (fee of \$150 to Innsbrook Owners Association). An inspection after completion is necessary to receive an occupancy permit. Should construction fail to meet guidelines specified in the building permit, no permit will be issued.
- Both home and chalet guidelines can be found at www.innsbrook-resort.com/property-owners/forms. You can also download permit applications at this site. Questions? Contact Samantha Starostki at 636.928.3366 x9151.

Vehicles

- Golf carts and UTVs (i.e. gators and mules) are permitted on our roadways only. Four-wheel, all-terrain vehicles (ATVs) and unlicensed motorcycles are not allowed on or off roadways on Innsbrook common ground.
- Permitted vehicles are only to be operated by licensed drivers. Children under the age of 16 found to be operating a golf cart/UTV will be escorted back to their Innsbrook property.
- All vehicles must have good mufflers, be insured and have headlights and reflectors if they are to be driven at night.
- All recreational vehicles must be registered with Innsbrook and must have an Innsbrook recreational vehicle sticker. Call 636.928.3366 x9180 or download a sticker form at www.innsbrook-resort.com/property-owners/forms.

Miscellaneous

- Dogs must be kept on a leash at all times at Innsbrook.
- Pets are limited to two per dwelling.
- Blue vinyl protective tarpaulins are prohibited. The Innsbrook Owners Association has neighbor-friendly brown or camouflage tarps for sale. Call 636.928.3366 x9180 for more information.
- Many insurance companies require proof that your Innsbrook property is being monitored by an alarm. If you need confirmation for your insurance company, please submit your request to security@innsbrook-resort.com or call 636.928.3366 x9404. Please include the following information in your communication: Name, Innsbrook lot number (address), home mailing address and email address.
- Camping is only permitted on a property owner's own lot or 72 hours maximum. RVs are prohibited.

Property Maintenance Tips

Annually

- To maintain high operating efficiency and prolong the life of your air-conditioner compressor, the condenser coils should be cleaned every year.
- To clean the condenser coils, turn off the circuit breaker, remove the housing from the unit, and carefully hose out the coils. Be sure to keep all water away from the blower motor and electrical components.
- Some of the chalets (those built before 1977) are equipped with aluminum wiring. We suggest that all terminals in the panel box and receptacle be checked for unusual oxidation and/or loose connections.
- The interior of the fireplace flue chimney should be checked for unusual buildup (1/4 inch or more) of creosote deposits. Under certain circumstances, this creosote can catch fire, producing an unusually hot fire that could spew out, blowing particles of debris. This in turn could catch fire to roofs and/or surrounding decks and trees.

- Remove leaves from around and under buildings and decks in the late fall. Termites need a path from soil to wood to get to your building. Leaves around stair posts and deck posts provide a possible route for them to take.

Every Other Year

- The wood decks require periodic maintenance to maximize the life of the wood. We suggest these decks be given a coat of wood preservative stain every two years.
- Check the caulking around windows. With age caulk will shrink allowing insects, air and moisture into the building.

Every Other Month

Replace furnace filters.

Semiannually

Check batteries in smoke detectors.

Need Assistance?

IBK Services can help you maintain your property by offering a variety of services, including seasonal services. Home owners can also schedule seasonal mowing and pest control services online at: <https://www.innsbrook-resort.com/property-owners/services/> or by phone at 636.928.3366 x9150.

Water System in Warm Weather

For Chalet Owners • Warm weather preparation (May 1 to October 1)

When leaving chalet, always:

1. Turn off circuit breaker to hot water heater.
2. Then turn off main water valve at base of chalet on the outside.

When returning to chalet, always:

1. Turn on main water valve at base of chalet on the outside.
2. Open a hot water faucet until there is flow, allowing any air to escape from heater, then close.
3. Turn on circuit breaker to hot water heater.

Turning Off Water System in Cold Weather

For Chalet Owners • Cold weather preparation (October 1 to May 1)

IMPORTANT: Read directions fully before proceeding.

1. Turn off breaker to hot water heater.
2. Close main water valve inside chalet.
3. Turn outside water supply rod to OFF position. Open hose bib faucet. If garden

- hose is attached, remove completely.
4. Open all low-line drains. Including but not limited to: shower (behind refrigerator), bottom of water heater, behind toilet, floor near breaker box. Location of valves will vary with building design.
 5. Open all faucets. Hot and cold in shower, bathroom vanity, kitchen sink, outside hose bib.
 6. Pull out sprayer hose in kitchen sink to its fullest. Blow out trapped water, lay hose in sink. Some spray heads must be removed and water shaken out of head and hose. Note: Each chalet may vary as to location of faucet drains and supply lines. ALL faucets should be in an open position to allow air into lines to force water out.
 7. Flush toilet. Scoop water out of bowl with a cup (past the supply opening near the bottom of the bowl).
 8. Go back and reopen main water valve inside chalet. This allows water to escape that is trapped between inside main valve and outside water valve.
 9. Refrigerator. If you leave refrigerator empty, turn off and prop open both doors to prevent mildew. Please refer to owner’s manual.
 10. Ice makers. Copper/plastic lines must be disconnected at both ends. Blow water out of lines, disconnect, drain solenoid valve on refrigerator. Refer to owner’s manual.
 11. Take home canned and bottled items containing liquid that may freeze.
 12. When weather is cold enough (34°F–36°F), check heat tape under chalet for proper functioning. The surest method is to feel if tape itself is warm.
- When you return to your chalet after it has been winterized, follow the same steps in reverse (#5, #4, #3), closing faucets and drains. When filling hot water heater, open vanity hot water faucet to allow air in line to escape. Turn on hot water heater breaker AFTER water pours freely out of faucet, indicating tank is full. If faucet or valve is too tight to open/close, moisture has frozen inside the valve. Wait a short time for heat in chalet to thaw this minimal freeze-up before attempting to open/close valve.

Trash and Recycling Services

Innsbrook offers trash/recycling depots for property owners use:

- Just south of the Main Gate on Aspen Way Dr.
- Just north of the Farmhouse off Innsbrook Dr.
- At the Konstanz Gate Entrance off South Konstanz Dr.
- At the Linden Gate Entrance off Linden Crossing

DO NOT use the trash or recycle bins at the Clubhouse Bar & Grille, Charrette Creek Commons, or at the Aspen Center; these are for commercial use only.

Trash Compactor

A trash compactor for household trash only is located at the trash depot just south of the Main Gate on Aspen Way Dr. To use the compactor, open the side door, place your trash in, and close the door. The compactor turns on automatically when trash reaches a certain point. DO NOT open the door when the green light is flashing and the siren is sounding. This indicates that the compactor is in operation. NEVER go inside the dumpster.

Prohibited Items

The following items are PROHIBITED in all Innsbrook dumpsters:

- Iron or steel
- Car parts or tires
- Construction debris, such as lumber, drywall, fixtures, etc.
- Appliances or bulky trash items such as furniture, mattresses, etc.
- Oil, paint or chemicals requiring special disposal
- Car batteries

Note: There is a \$250 fine for throwing these items in the trash dumpsters. Each of the dumpster areas is monitored by video surveillance.

Recycling Program

Recycling dumpsters are located at all of our trash depots. You can recycle:

- All cans (aluminum/steel/tin)
- Paper milk and juice cartons
- Green, clear and brown glass bottles
- All paper that tears (newspapers, magazines, junk mail, office paper)
- Cardboard and paper boxes such as cereal and tissue boxes
- Plastic containers, such as butter dishes, yogurt cups, etc.

Note: Items should be loose and not placed in plastic trash bags. No plastic grocery bags, window glass, dinnerware, ceramics or #6 plastics (styrofoam). Remove paperclips/staples from paper. All cans, bottles and cardboard (such as pizza boxes) should be free of debris. Recyclables can be co-mingled; there's no need to separate items. There is a \$250 fine for trash/garbage thrown in the recycling bins.

Questions? Call 636.928.3366 x9163. For a more detailed list of tips, visit www.innsbrook-resort.com/pdf/Recycling_Flyer.pdf.

Community Programs & Clubs

Conservation Program

Nature is the heart of Innsbrook. We're dedicated to conserving and enhancing the natural beauty that surrounds us.

Without Innsbrook's lakes, streams, woods, meadows, and the plants and animals that live within them, our community wouldn't be the natural paradise it is. We take our commitment to nature seriously. Our knowledgeable and dedicated staff is always working and thinking of ways to help conserve and improve Innsbrook's natural beauty.

Innsbrook Institute

The Innsbrook Institute Summer Music Academy and Festival is the regions' leading chamber summer music festival providing a combination of professional musical instruction for students and outstanding chamber music performances for patrons. This nine-day academy and festival facilitates the opportunity for music students, professional musicians and patrons to immerse themselves in live classical music instruction and performance in the beautiful and natural setting of Innsbrook. Visit www.innsbrookinstitute.org or call 636.928.3366 x9218 for more information.

Innsbrook Historical Society

The Innsbrook Historical Society seeks to restore and preserve historic structures

and adjacent properties within the Village of Innsbrook in order to educate and deepen the understanding of the legacy of the land and its inhabitants with the hope of bringing friends and neighbors together to celebrate the Innsbrook area history in a natural recreational setting. They have completed the restoration of the historic Log Cabin overlooking Tyrolean Valley near Alpine Lake and are currently restoring the Upper Charrette Creek Schoolhouse at the Log Cabin site. For more information, to find out how you can be a part of this organization, or for information on renting the Society's historic log cabin and pavilion facilities, visit www.innsbrookhistoricalsociety.org.

Community Clubs

At Innsbrook, there's more for community members to do than just enjoy the beautiful scenery (although we encourage that, too). Clubs at Innsbrook include: Village of Innsbrook Garden Club, IBK Adventure Club, Art Guild, Nature Club, Armchair Sailing Society, Monday Night Bible Study, IBK Bluebird Monitors, Innsbrook Historical Society, Green Hats Club, Patriot Packages, God Cares Ministry, Remote Control Airplanes, Innsbrook Fishing Club, Innsbrook Motor Club and more. Call 636.928.3366 x9180 to get connected.

Village of Innsbrook

On July 28, 1998, the Village of Innsbrook was officially incorporated to protect the area in which we live, work and play. The first two years of the village were dedicated to setting up ordinances that allow the village to be a municipality. The next three and a half years were dedicated to focus groups and the development of a comprehensive plan. These focus groups included more than 500 village residents as well as focus groups for property owners of recreational property within the village.

To find out more about the Village of Innsbrook, visit www.villageofinnsbrook.org or call 636.745.8844.

Vacation/Short-Term Rentals at Innsbrook

We are pleased to welcome all kinds of guests to Innsbrook, including those who are here for a weekend trip or vacation. Property owners who rent their properties short-term are now required to apply for a rental permit and renew this permit each year to be in compliance. This permit is \$275 per year. The form and agreement can be found online and must be signed and submitted to Innsbrook at the Real Estate office, or by email at property@innsbrook-resort.com.

If you are using a third-party vendor such as Air BNB or VRBO, etc. to rent your property, be sure to communicate to your renters the Innsbrook Golden Rules, and give notice of events, activities, pool reservation requests, etc to give them the best

experience at Innsbrook possible.

All guests, including everyone in the renter's party must be pre-registered using the Property Owner portal for guest registrations prior to their arrival. Please give 24 hours notice for smooth arrival through security. They must enter at the Main gate or West gate during staffed hours. (Main gate is staffed 24 hours a day.)

It is important to note that only rental guests are not allowed to bring boats to Innsbrook. We do not offer golf cart or pontoon rentals, but guests may bring or rent kayaks or paddleboards at the Aspen Center from Guest Services during the summer season. Call 636-928-3366 ext. 0 to reserve one.

All boats that are located within Innsbrook are **private property**. Any craft used must have expressed authorization from the owner. BOther items to note:

Loud gatherings that disturb the enjoyment of neighbors and our community will not be tolerated. No loud noises permitted on Sundays, at all. Do not host gatherings that would disturb the peace and quiet of the neighbors.

Commercial activities such as weddings and/or receptions are prohibited for rental guests.

Discharge of fireworks and firearms is prohibited, and hunting at Innsbrook is also prohibited.

Drones are not permitted at Innsbrook, except for corporate use by permission only.

Pets are welcome at Innsbrook (two per dwelling), but owners who rent may restrict a no-pet policy. Those who allow pets as guests, please share that pets are not allowed on the public beaches, and must always be on a leash.

Owners with renters who consistently break the rules could be subject to fines and/or non-renewal of their annual permit, so we recommend posting the rules within your home in a place your guests can easily read them.

Renters or residents may contact information@innsbrook-resort.com with questions about the rules. Innsbrook Security can be reached at security@innsbrook-resort.com or at 636-938-3366 ext. 9400 to report a disturbance or infraction.
