## RFID CAR STICKERS

The RFID sticker must be affixed to the windshield above the state inspection sticker. The car stickers have built-in RFID technology which automatically opens the Innsbrook gates. These stickers will never expire and will only be deactivated if sell your Innsbrook property, if it is removed from your windshield, or if they are misused. As a reminder, the stickers are for owners and immediate family only; they are not intended for friends, employees or contractors. For security purposes you must fill out and return this form to receive your stickers. **Questions? 636.928.3366 x9180.**
