THE PERFECT SETTING *for a dream wedding*

The warm ambiance, stunning views and scenic landscape combine to create an impressive backdrop for your special day. Whether you're dreaming of a small, intimate gathering or a lavish reception for several hundred, Innsbrook's space is flexible.

Innsbrook offers a variety of options for wedding ceremonies. Exquisite Lake Aspen makes a stunning background. Our waterfront stage offers wide-open views and plenty of space. Break down the barriers between you and nature by having your ceremony on the Oak Lawn, a serene, tree-lined meadow. Those looking for a church ceremony can use Innsbrook's Harmonie Church—a one-room country chapel taken right out of a Norman Rockwell painting.

Innsbrook also offers several rehearsal and reception sites, including a lodge-style dining room complete with a floor-to-ceiling stone fireplace and beamed cathedral ceiling. Or take your event outside where you can celebrate on the waterfront stage on 150-acre Lake Aspen, dance the night away under the stars at our historic farm house, or gather around a bonfire at the stables.

The possibilities are endless!

YOUR WEDDING DAY. *Savored.*

At Innsbrook we understand that meals are events in themselves and an important part of your experience. We want your guests to sit back and savor the meal and the memories being created.

From appetizers and buffets to plated entrées and delectable cocktails and desserts, our professional staff strives to make your dining experience one of the most memorable parts of your special day.

Our Executive Chef will cater to every detail with the perfect variety of creative cuisine prepared with quality, fresh ingredients, cooked to perfection and customized to your every whim.

Whether you're having an intimate family gathering or throwing the wedding party of the century, Innsbrook can arrange the perfect activities for your wedding party and guests. The gentlemen can relax before the ceremony with a round on our 18-hole championship golf course while the ladies unwind poolside. Plus, guests can enjoy our variety of hiking/biking/walking trails, horseback riding at the stables, our fitness center, tennis courts and more!

Our multi-bedroom condominium complex on Lake Aspen is the perfect amenity for your wedding night, for your out-of-town guests, or for the wedding party. With the convenience of our overnight accommodations, you can plan your weekend from start to finish here at Innsbrook. Begin with a Friday night rehearsal dinner, follow it up with the wedding day festivities, and round it out with a Sunday morning bon voyage brunch or barbecue.
